## **BlackTree Healthcare Consulting Named Best Place to Work in Greater Philadelphia**

**Conshohocken, Penn. – August 29, 2016** – BlackTree Healthcare Consulting (“BlackTree”), the leader in post-acute healthcare consulting, today announced that it has been named as one of the 2016 “Best Places to Work” by *Philadelphia Business Journal*.

“We are honored to be recognized as a best place to work in Philadelphia, and believe it is a testament to the culture we have created at BlackTree,” said Fran Smith, BlackTree Managing Director. “At BlackTree, we are committed to developing and empowering our employees, and trust that in doing so; we are able to continuously provide exceptional client-centric consulting services.”

This marks the first year BlackTree has been named to this list, which recognizes top employers in the Greater Philadelphia Area. Since the firm’s founding in 2011, BlackTree has grown significantly to more than 100 employees across the country. As part of this growth, BlackTree has been able to broaden its service offerings to not only assist home care and hospice agencies in enhancing their operations, but ultimately improving the level of care their patients receive.

“As an organization, we are committed to finding the right balance of working hard for our clients, while maintaining a high-performing and energetic culture. We embrace the opportunity to continue to evolve, in order to be a great place to work for our employees,” added Mike Freytag, BlackTree Managing Director.
