Conshohocken, Penn. – September 23, 2016 – BlackTree Healthcare Consulting ("BlackTree"), the leader in post-acute healthcare consulting, today announced that it ranked number 13 on the Philadelphia Business Journal's inaugural 50 on Fire in Philly list.

"We are honored to be included in the inaugural 50 on Fire in Philly list," said Jeff McNalley, BlackTree Director. "Our continued growth is made possible because of the hard work and dedication our team delivers on behalf of our clients every day. We look forward to many more years of growth and expansion."

The 50 on Fire in Philly is an exclusive list that recognizes the fastest-growing companies in the greater Philadelphia area, and uses methodology that measures percent revenue growth over a three-year period to determine rankings. BlackTree and other honorees were recognized last night at the 50 on Fire in Philly awards ceremony, and will be highlighted in today's special edition of the Philadelphia Business Journal.
