Conshohocken, Penn. – October 28, 2016 – BlackTree Healthcare Consulting (“BlackTree”), the leader in post-acute healthcare consulting, today announced that it ranked number 39 on the 2016 Philadelphia 100® list.

“We are proud to be recognized for our accomplishments, and to be listed as one of the fastest growing companies in the region,” said Todd Montigney, BlackTree Managing Director and Founding Member. “Our team’s dedication to providing exceptional services to our clients has set us up for continued growth. We are pleased to receive this award, and look forward to future achievements.”

The Philadelphia 100® recognizes the fastest-growing companies in the greater Philadelphia area, and uses methodology that measures percent increase in sales over a three-year period to determine rankings. BlackTree and other honorees were recognized last night at an awards ceremony hosted by the Wharton Small Business Development Center at the University of Pennsylvania and the Entrepreneurs' Forum of Greater Philadelphia.
